**Pray For....**

- ⇒ Wisdom for APAC’s Board of Directors.
- ⇒ Approval of IRS Form 1023 for charitable organizations.
- ⇒ Opportunities to share APAC’s ministry.
- ⇒ God’s guidance to the pastors and churches He wants us to encourage.
- ⇒ Monthly Financial Support.
- ⇒ Capital Funds for flipping houses.
- ⇒ 14-16 ft trailer to store tools at work projects.

As we look forward to the New year, Moses’ message reminds us to keep focused on our purpose to love God and love pastors. It compels us to pray because God knows where HE wants us, when He wants us, and who HE wants us to encourage.

At APAC, we believe effective ministry must be bathed in prayer. Our APAC Board meets every week to seek the will of the One who has goes before us. We greatly appreciate your prayers too!

Our newest prayer request is for a 14-16 foot enclosed trailer for transporting and securing tools at work projects. Also, the IRS is several months behind in approving Form 1023 required for charitable organizations. Please pray for us and all the other Christian organizations as we wait for approval. Pray that the God who rules over the nations will move the powers that be at the IRS. We are also asking God to show us what He wants us to do and learn as we wait.

May the Lord guide us all in 2022!
