He has attended to the voice of my prayer.
Blessed be God,
Because He has not rejected my prayer

Pondering Pastor

One of our goals is to encourage pastors whom God has assigned to small churches. Our desire is to provide preaching and interim pastoral care to enable these pastors to take a sabbath rest for up to three months if necessary. It has already been a huge blessing to share our ministry with several pastors. Those pastors with whom we have offered our services have been stunned and so grateful. We have seen looks of astonishment, big smiles, and tears of joy and relief. Responses we've heard include, "You'd do that for me?" "I've never had a sabbatical." "I can't believe you would do that!" "I could really use a break."

So far, we have been able to provide preaching for some of these pastors for one or two weeks at a time. It has been a joy to worship with and minister in these churches. After all, we are family united by our heavenly Father who is present each and every time! We can't wait to share with you the stories that God is orchestrating for these small churches and their pastors when we are privileged to provide the first sabbatical.

We truly believe we've only just begun to bask in the blessings of God among small church pastors and their congregations. We are also blessed that you have joined us in this journey.
