

Dave's Digest

Last month we had the privilege of ministering to Mt. Carmel Community Church in Glennville, CA and their Pastor Harrell Knox. Burke Vanderhoef, whom we met during our project in Los Osos, provided a get away for Harrel and his wife at the coast. Thanks Burke! Dave preached at MCCC on the three Sundays the Knox's were away. What a delightful church! So friendly and welcoming! The first Sunday we were there, we received a thank you card from the kids in Sunday School. The hugs from the kids every Sunday made the drive worth while.

We continued fellowship over lunch at the Highway 155 Market & Café. The Tri-Tip sandwiches alone are worth the drive to Glennville. Thank you Nathan and Nancy for treating us to lunch!

We were also the recipients of an unexpected blessing. A couple from the church, invited us to stay at their cabin retreat in Posey. So instead of driving up on Sunday, we drove up on Friday and spent a peaceful weekend in a cabin by the creek. Thank you Randy and Cheryl!

Thank You for your prayers and financial support.

Mt Carmel Community Church

RICHFLEXION

Some of you are aware that I enjoy the show, Restaurant Impossible. I am not a proponent of the star's initial gruff approach, but I enjoy his willingness to come alongside and help others in need. After helping the restaurant, the star, Robert Irvine, tells those that they helped that they are now part of the Restaurant Impossible family. The restaurant recipients of the help given are amazed and thankful that they have been bestowed such kindness.

Maybe the reason I like that show is because it reminds me somewhat of the mission of APAC. In Galatians 6:10, the Apostle Paul writes **so then, as we have opportunity, let us do good to everyone, and especially to those who are of the household of faith.** APAC has been blessed with the opportunity to do good to the household of faith during this moment in time. We get to come alongside Pastors and churches telling them again through tangible means how important and loved they are by Christ. And the blessing flows back to APAC as we are reminded how loved we are by Christ that He would grace us with the opportunity to represent Him.
